

6. Demonstrate the creation and management of your digital identity.
- Create a social media profile (LinkedIn preferred).
 - Add a profile photo, short bio, skills, and education details.
 - Create a simple post about “My Learning Journey in Digital Literacy.”
 - Change your privacy settings to:
 - Who can see your posts.
 - Who can message you

The screenshot shows a LinkedIn profile page for Kunal Mandle. At the top, there's a navigation bar with icons for Home, My Network, Jobs, Messaging, Notifications, and Me. It also features a "For Business" dropdown and a "Try Premium for ₹0" button. The main profile area has a blue header with a circular profile picture of Kunal. Below the header, his name "Kunal Mandle" is displayed with a "Add verification badge" link. His bio states: "B.Tech CSE–Data Science Student at Rungta College Bhilai | Data Analytics Enthusiast | Python • SQL • Problem Solving || c programming language||java script". He is located in Chhattisgarh, India, and has 13 connections. Below this, there are buttons for "Open to", "Add profile section", "Enhance profile", and "Resources". To the right of the profile, there's a sidebar with "Profile language" set to English and "Public profile & URL" showing the link www.linkedin.com/in/kunal-mandle-b45330383. A "Promoted" post from aramco is visible, followed by a "Follow" button. Another sidebar shows "Who your viewers also viewed" with links to "Founder in the Automation Machinery..." and "Someone at Rungta College of...".
